

MASTERS ESTONIA ANNUAL REPORT 2023

Cross-country skiing is popular in Estonia. Organization of master skiers - Estonian Masters Cross-Country Ski Association started in 1994. Today we have about 269 active members from 20 clubs.

We cooperate with Estonian Ski Association and Estonian Seniors Sport and Sport Veteran`s Association.

In the season 2022/2023 in Estonia 15 competitions with masters categories have been held. Very popular among the masters are the Estonian long distance cross- country skiing series, the Estoloppet, consisting of 6 different cross-country ski marathons. At our most important event for Masters, the Tartu Ski Marathon, 490 Estonian masters skiers have participated.

The National Championships for Masters were held at 11th March 2023 in Jõulumäe in free style; altogether 95 racers, distances 3, 5, and 10 km.

At the MWC in Seefeld, 7 Estonian athletes participated and won a total of 9 medals.

The National Championship for Masters 2024 will take place on the 10th of March in Haanja.
