

NON COMMERCIAL ORGANIZATION «ALL-UKRAINIAN AMATEUR CROSS-COUNTRY SKI UNION OF UKRAINE»

**WMA REPORT
of winter season 2022-2023
UKRAINIAN MASTERS**

The snow was all winter but all the competitions which were in the plan did not take place.

The season 2022-2023 was difficult. Athletes participated in some of them:

EVENTS	DATE	PLACE	PARTICIPANTS
Championship of Ukraine in cross-country skiing	03-05.02.2023	Syanki, Lviv region	45
WORLD MASTERS CHAMPIONSHIP	17-25.03.2023	Seefeld (Austria)	13
Championship of Ukraine in roller skating	10-13.08.2023	Vorokhta, Ivano-Frankivsk region	64
THE WAR IS STILL GOING ON!			

The competitions conducted in Syanki (Lviv region) were held in a calm situation. This has contributed an active participation of athletes from all cities of Ukraine (Sumy, Kharkiv, Lviv, Kyiv, Ternopil, Rivne, Lutsk, Ivano-Frankivsk, Poltava, Dnipro, Chernihiv, Vynnytsa, Kyiv region).

On behalf of all the athletes of the Ukrainian team, we express GREAT gratitude to our very GOOD FRIENDS from our organization (WMA) for the financial assistance and support of the athletes during the competitions in Seefeld!

Now there is a war! Athletes defend their country. Unfortunately, it is very sad that some athletes are no longer with us any more. They defended the country and died as Heroes.

THE VICTORY WILL BE FOR UKRAINE!!!

We will hope that Ukrainian athletes will take part in the competitions in Vuokatti.

Best regards,
Tetyana Bilous
National Director of Ukraine
