WMA REPORT of winter season 2024 UKRAINIAN MASTERS

The snow was all winter but all the competitions which were in the plan did not take place. The season 2024 was difficult. Athletes participated in some of them:

EVENTS	DATE	PLACE	PARTICIPANTS
Championship of Ukraine in cross-country skiing	26-28.01.2024	Tysovets, Lviv region	53
WORLD MASTERS CHAMPIONSHIP	09-16.02.2024	Vuokatti (Finland)	12
Championship of Ukraine in roller skating	08-11.08.2024	Vorokhta, Ivano-Frankivsk region	26
Open championship of the city in roller skating	23-25.08.2024	Vinnitsa	15

The competitions conducted in Tysovets (Lviv region) were held in a calm situation. This has contributed an active participation of athletes from all cities of Ukraine (Sumy, Kharkiv, Lviv, Kyiv, Rivne, Ivano-Frankivsk, Poltava, Chernihiv, Vinnitsa, Transcarpathian region, city Kyiv).

On behalf of all the athletes of the Ukrainian team, we express **BIG THANKS YOU** to our **FRIENDS** from our organization (WMA) for the financial assistance and support of the athletes during the competitions in Vuokatti!

Many athletes between the ages of 30 and 60 cannot participate. These athletes cannot go abroad (even for competitions) during martial law in the country. The Ukrainian team is small because of the fact that athletes over 60 years old go to the competition.

Ukrainian athletes will take part in Klosters, but in small numbers due to restrictions.

Best regards,
Tetyana Bilous
National Director of Ukraine
